# Update on LEADER implementation in Poland

10th Meeting of the LEADER/CLLD Sub-Group

---

Beata Rodak

Polish Ministry of Agriculture and Rural Development

22nd February 2022

# Preparatory support

---

- Preparatory support will be implemented under the RDP 2014-2020
- One rate for all (regardless of LAG size) – a lump sum
- Competitive mode - new entities may apply for aid, which will compete in a given area with existing LAGs for the selection of LDS
- Call for proposals – March 2022

## Selection of LDS

- October 1, 2022 - November 29, 2022 - call for applications
- The selection process takes 6 months
- Selection of the LDS - until 30 May 2023
- Multi-fund CLLD: EAFRD, ERDF, ESF+
- 10/16 voivodeships will implement multi-fund CLLD
- Regional selection (16 committees), with an appeals procedure to the managing authorities
- Appointment of new committees to select the LDS
- The committees will be appointed by the voivodeship board by resolution, and its composition remains unchanged: representatives of the voivodeship board and experts

## Status of work on the selection of the LDS

- Currently, the competition documentation is being prepared (planned approval: May / June 2022):
  - regulations of the competition for the selection of the LDS
  - access conditions
  - selection criteria
  - The method of allocating funds for the implementation of LDS and management and animation costs (the same allocation as in the period 2014-2020 - depending on the number of inhabitants of the area covered by LDS), the same forms of payment (flat rate in management and animation costs)
  - Application for selection of the LDS with the entire procedure
  - Framework agreement
