

### 1. Access to information and knowledge

- Going beyond the existing networking activities focused on the CAP
- Sources **of knowledge and examples of initiatives** (e.g. on methods for local cooperation, stakeholder engagement, policy interventions, etc)

### 2. Virtual spaces to meet and exchange

- Raising awareness and boost **connections among all rural stakeholders and authorities**
- **Language differences** may be a barrier to enable exchanges and involve local actors

### 3. Broader connections

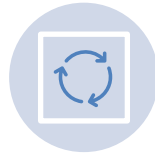

- Connections **with other initiatives** of the Vision such as the Rural Pact and the Rural Observatory & other relevant initiatives, networks and tools
- Information on available **EU funding opportunities** and **guides**
