The Good Practice Workshop organised by the European Evaluation Helpdesk of the CAP, 'How to assess AKIS based on lessons learned from 2014-2022', took place on 30-31 May 2022 online.

Objectives:

Both for ex post evaluation of AKIS in the 2014-2022 period and the CAP 2023-2027 evaluations the objectives of this Good Practice Workshop were threefold:

- **To draw lessons from existing AKIS evaluations at EU and Member State level.** The workshop shared lessons from these evaluations and highlighted past experiences in terms of scope, methods and results that can be relevant for the future.
- **To draw lessons from AKIS evaluations from outside the EU.** The workshop explored lessons relevant for the evaluation of AKIS from assessing agricultural innovation systems by international organisations like the World Bank, FAO and OECD.
