

CLLD in Poland – introduction to the workshop „How to facilitate cooperation between different CLLD Funds

Joanna Gierulska

Ministry of Agriculture and Rural Development

Milan, 25th of September 2015

Achievements

1. One CLLD regional institution
 2. One LAG legal form
 3. Common rules for calls for all LDS
 4. Common selection criteria
 5. Lead fund for multifund LDS
 6. One contact with LAG
- 6. Role of LAG** – the same for all ESIF (MA/PA responsible for: final eligibility checks, reasonability of costs verification, signing the contract, second instance institution in appeal procedure)

Challenges for the future

1. Selection of mono and multifund strategies

(11/2015 - 4/2016)

2. Harmonisation of LDS monitoring and financial declarations (incl. template of the reports)

3. Getting maximum integration and coherence of multifund LDS in implementation phase

4. Common assessment of reaching LDS milestones

4. Sufficient progress in expenditures under LDS to be able to declare running and animation costs (for SCOs)
