A cartoon illustration of a young boy with brown hair, wearing a red long-sleeved shirt and brown pants, standing in front of a red barn. He has a joyful expression with his eyes closed and a wide smile. The barn has a dark brown roof and a window with a diagonal wooden brace. There are several large, golden-yellow hay bales stacked on either side of the barn. In the background, there are green pine trees and rolling green hills under a light blue sky with a few white clouds. A white wooden fence runs across the foreground. A large thought bubble is positioned above the boy, containing the text "Proud to be a young farmer!".

Proud to be a  
young farmer!
