# Project Green Jobs

# Farm to table cosmetics

In 2013 is born M.F. COSMETICI, a company that produces and sells a line of cosmetics, called OLEAM, made of evo olive oil and natural active principles, all derived from our land and related to the farm to table concept.

All come from land, passion and love for agriculture and from our farm where begin the production of our cosmetics.

# The farm

## SAN CARLO SITE OLIVE TREES & MILL

Located in Umbria, green heart of Italy, it's extended on two company sites, the first in Terni, for an extension of 10 ha where we mainly have olive trees and where is located the Private Mill where are directly and daily processed olive to obtain an high quality olive oil.
